SCORECARD™
Measure the quality of each decision with the DII™ (Decision Intelligence Index).

DIMM™
Maturity model to evaluate and develop organizational decision capabilities.

DASHBOARDS™
Executive dashboards for visibility, tracking and performance management.

ROADMAP™
Guides for implementation, improvement and capability maturity.

PLAYBOOK™
Complete guide with methodology, cases, tools and best practices.

KEY OUTPUTS

- High-Quality Decisions
- Strategic Alignment
- Risk Reduction
- Efficient Use of Resources
- Stakeholder Confidence
- Continuous Learning
- Sustainable Value Creation

PRINCIPLES

- Clarity before speed
- Context before conclusions
- Evidence before opinions
- Elimination before selection
- Alignment before approval
- Learning before repetition

CONTINUOUS IMPROVEMENT CYCLE

IMPLEMENT THE DECISION
